

*Dear Friend*

Dilmah is a very special tea. Dilmah Founder - Merrill J. Fernando - set out in the 1950s to offer tea drinkers the finest tea on earth.

Whilst doing so, he desired to make his a genuinely ethical brand. It took nearly four decades for Merrill to fulfil his mission, but in 1988 he launched his family tea - Dilmah - the first producer owned tea brand in the world, handpicked, perfected and packed at source and shipped within days to tea drinkers around the world.

Merrill devoted his life to tea. Together with his sons Dilhan and Malik, whose names make up the name Dilmah, Merrill leads an ethical family business.
